

Evidence supporting clinical practice

Saturday 26th February, 2011 in Eastbourne

Speakers include:

Dr Nefyn Williams – the evidence for sciatica

Dr Dawn Carnes – adverse events in manual therapy

Dr Janine Leach – trends in insurance claims and complaints to the regulator

Dr Ian Drysdale – patients' experiences of osteopathy

Mr Steven Vogel – Clinical Risk in Osteopathy and Management (the CROaM study)

Dr Vinette Cross – patients' expectations of osteopathic care

The cost of the full day conference including lunch is £45.

Six hours of CPD is available for the conference.

Please contact Carol Fawkes for an application form (c.a.fawkes@brighton.ac.uk or Telephone: 01273 643457)
