Research NHS R&D committee membership:

2000 - date	Member of the South Downs Health NHS Trust Research and Development Committee
2001 - date	Member of the Eastbourne Hospital's NHS Trust Research and Development Committee
2003 - date	Member of the NHS and Brighton and Sussex Universities Research Partnership Committee
2003 - date	Member of the Eastbourne Primary Care NHS Trust Research and Development Committee
2004 - date	Member of the BSMS Research Governance Advisory Group
2007	Member of the Chartered Society of Physiotherapy's Research and Clinical Effectiveness Committee

Professional Doctorate Advisory Role:

2004 - date	John Veto, Professional Doctorate in Podiatry
2004 - date	Carol McCrum, Professional Doctorate in Physiotherapy
2004 - date	Mary Sexton, Professional Doctorate in Physiotherapy
2004 - date	Jo Gladwin, Professional Doctorate in Physiotherapy
2005 - date	Andrea Moulson, Professional Doctorate in Physiotherapy
2005 - date	Helen Madzokere, Professional Doctorate in Physiotherapy
2006 - date	Ralph Hammond, Professional Doctorate in Physiotherapy

Current and recent supervision of research students and research officers:

1995 – 2001	Carrie Britton, Occupational Therapist, University of Brighton, PhD Programme; Title: Children with juvenile chronic arthritis: Families' experience and perspectives of health and social care' (Director of Studies) – Completed
1994 – 2002	Mike Troke, Physiotherapist, PhD programme, University of Brighton, PhD Programme; Title: A study to investigate the influence of occupation and other factors on ranges of motion in the lumbar spine, and to develop protocols for the assessment of occupational fitness (Director of Studies) – Completed
1997 – 2003	Lucy Goldby, Physiotherapist, St Georges' Hospital, London, University of Brighton, PhD Programme; Title: A study of rehabilitation in chronic low back pain: A comparison of conservative physiotherapy management, lumbar stabilisation exercises and an education booklet. (MRC personal grant to Lucy Goldby: (£120,000) (Director of Studies) – Completed
1998 – 2001	External supervisor for Deirdre Hurley, Physiotherapist, Dphil, Faculty of Social and Health Sciences and Education, University of Ulster Title: Acute Low Back Pain: Effectiveness of Manipulative Therapy and Interferential Therapy. - Completed
1998 -2004	Alan Hough, Physiotherapist, University of Brighton PhD programme; Title: Peripheral nerve dynamics imaged by ultrasonography. (Director of Studies) Completed
1998 – 2000	Charlotte Hawkins, Podiatrist, University of Brighton, PhD programme: Title: Metatarsus Adductus - Completed
1998 – 2001	Eve Pringle, Research Officer, Sussex Education Consortium: based at University of Kent at Canterbury. Project: Post registration education and training for PAMs – A Framework. Completed

- 1999 – 2002 Saleh Oraibi, Physiotherapist, University of Brighton, PhD programme:
Title: Rehabilitation at home following stroke in Jordan. **Completed.**
- 2000 – 2001 Alex Tobin – Physiotherapy Manager, Swindon and Wiltshire Healthcare Trust:
Title: Evaluation of extended scope practitioner service for low back pain. **Completed**
- 2000-2001 Victoria Crouch, Project Officer, Sussex Education Consortium funded project.
Title: Models of Clinical and Fieldwork Education. **Completed**
- 2002 – date Simon Otter, University of Brighton, Mphil/PhD programme.
Title: Podiatry outcome measures in early rheumatoid arthritis
- 2002 – date Joanne Zamani, University of Brighton Mphil/PhD programme British School of Osteopathy,
Mphil/PhD programme.
Title: Exercise and low back pain.
- 2002 – date Neil Osborne, University of Brighton Mphil/PhD programme.
Title: Eye-neck co-ordination training in the rehabilitation of chronic neck pain patients.
- 2003 – date Edwin Lee, University of Brighton Mphil/PhD programme.
Title: Musculoskeletal Complications for Naso-pharyngeal Cancer Patients and the
Physiotherapeutic Management
- 2003 – 2007 Oluwaleke Sokunbi, University of Brighton Mphil/PhD programme.
Title: The Effects of Dosage of Exercise on Lumbar Multifidus size, neuroendocrine response
and Motor Neuron Excitability in Low Back Pain Patient. (Director of Studies)- **Completed**
- 2005 – date Eduardo Cruz, University of Brighton Mphil/PhD programme.
Title: Experts Clinical Knowledge in the Management of Acute and Recurrent Low Back pain
- 2005 – date Clair Hebron, University of Brighton Mphil/PhD programme.
Title: The immediate and prolonged physiological effects of lumbar mobilization
- 2005 – date Colette Ridehalgh, University of Brighton Mphil/PhD programme.
Title: Effects of slump test on the deformation of the sciatic nerve
- 2007 – date Hubert Van Griensven, University of Brighton Mphil/PhD programme
Title: Study investigating the possible use of scar release with manual therapy for women
with persistent post-caesarean pain

Masters Student Dissertation Supervision:

- 1998 - 2000 Margaret Andrews,
Project: A study to investigate the seated natural head position and compare the relative
electrical activity in three cervical muscles in the natural and ideal head positions in two age
populations. **Completed**
- 2000 – 2002 Mark Geldman,
Project: Factors affecting the severity and rate of recovery from neck injury and whiplash
syndrome and whiplash associated disorder. **Completed**
- 2000 – 2001 Clair Sanger.
Project: The effects of two different exercise regimes on multifidus muscle cross-sectional area.
Completed
- 2000 - 2001 Sally Jessop,
Project: A study to compare an aerobic fitness programme with individual prescriptive
exercises in patients with sub-acute non specific low back pain. A randomised controlled trial.
Completed
- 2000 – 2001 Julie Burge,
Project: The development of diagnostic criteria and a classification system for cervicogenic
headache. **Completed**
- 2000 – 2001 Gail Hitchcock,
Project: A qualitative study to inform the development of a patient focused outcome
measurement tool for low back pain syndromes using the patient perspective. **Completed**
- 2002 – 2003 Helen Oakes

- 2006 – date Project: Patient experiences of the McKenzie approach for low back pain. **Completed**
Matthew Daly
- 2005 – date Project: Physiotherapist attitudes to exercise therapy for low back pain patients. **Completed**
Louise Fawcett
- 2005 – 2006 Project: Baseline data collection on injured female footballers& associated risk factors.
Completed
Kelly Ridley
- 2004 – 2006 Project: The outcomes of a physiotherapist led functional restoration programme for chronic low back pain. **Completed**
Steven Bunce
- Project: Ultrasound imaging of transversus abdominus in functional activities. **Completed**

Editorships:

- 1991 - 1995 Editor in Chief, *Manipulative Physiotherapist Journal*, Manipulation Association of Chartered Physiotherapists Journal
- 1992 - 2002 Member of Editorial Board and Manuscript Reviewer for *Journal of Manual and Manipulative Therapy* (a US publication)
- 1995 - date Executive Editor, *Manual Therapy: An international journal* (Churchill Livingstone, Edinburgh) (included in Index Medicus and Science Citation Index ranked 3rd in rehabilitation)
- 2004 – date Editorial Advisor and Member of the Editorial Board, *International Journal of Osteopathic Medicine*, Elsevier Science Ltd
- 2007 Editorial Advisor, *Education & Practice for Allied Health Professionals*, (under development)

Scientific panel membership and conference organising committee membership:

- 2001 1st International Conference on Movement Dysfunction – Edinburgh, Scotland
- 2002 1st International Conference of Portuguese Manual Therapy Association, IFOMT, EEC. Touch Our Minds, Estoril, Portugal
- 2002 - 2003 World Congress of Physical Therapies Congress, (WCPT) Barcelona, Spain (2003) coordinator and reviewer, professional resource abstracts
- 2004 European Education Congress of Physiotherapy Education, Estoril, Portugal, 4th – 5th November 2004
- 2004 – 2007 European Representative, International Scientific Committee, World Congress of Physical Therapy, Vancouver
- 2004 – 2005 Kinetic Control and MACP Biennial Conference, Edinburgh, Scotland
- 2005 Scientific Panel Member and Abstract Reviewer, 2nd International Conference on Movement Dysfunction (MACP & Kinetic Control) September 2005
- 2006 - 2007 Chair abstract reviewing committee, World Congress of Physical Therapy Congress (WCPT), Vancouver
- 2006 Invited abstract reviewer for the British Society of Rheumatology
- 2006 Reviewer for the British Medical Journal
- 2006 - date Member of the 10th anniversary conference committee for the General Osteopathic Council and National Council for Osteopathic Research, Chair of the research Strand
- 2006 - 2008 Member of the Chartered Society of Physiotherapy's Congress Planning Committee
- 2007 Leader of the conference organising committee for the National Osteopathic Research Conference February 2008
- 2007 Member of the Chartered Society of Physiotherapy's Conference Management Group for Congress 2008
- 2007 Member of the Chartered Society of Physiotherapy's Congress Planning Group for Congress 2008 and Chair of the Scientific Panel

- 2007 Academic Leader of the MACP's bid to host 2012 IFOMT Congress and member of the Congress Planning Committee
- 2007 Abstract reviewer for the International Federation of Manipulative Therapists (IFOMT), 2008 conference
