

# Mapping support for newly qualified practitioners in Kent, Surrey and Sussex

  
 University of Brighton

A Knowledge Exchange Conference, 11<sup>th</sup> December 2014, 10.00 – 16.00  
 The Hub, Varley Park, University of Brighton, Off Coldean Lane, Brighton, BN1 9GR

*A critical moment in one's professional life is the transition from student to newly qualified practitioner (NQPs). This knowledge exchange conference draws together key stakeholders involved in the support of NQPs programs across KSS, to share their practice and learn from one another. The aim is to build on what we do well and generate a framework that guides newly qualified staff to determine their own personal, professional and career developmental needs; and one that helps their facilitators to enhance the NQP's transitional experience.*

## Agenda
